

Schedule of Fees for EAL Tuition 2009 - 2010

The Tuition Fees at the British International School, Vietnam cover the normal lessons which are taught by a qualified and experienced teacher in classes of around 20 students. However, some students require additional support for which additional fees are payable. Students are normally, but not always, identified on entry. Once a need is identified continued attendance at the school will be dependent on receiving this additional tuition.
